

**Mark Silverman**  
**IBIS Airlines**  
**Sr. VP Capital Markets and Investor Relations**

Mark Silverman brings with him many years of Wall Street investment banking experience, extensive relationships throughout the financial industry, and a particular focus on life science investments, both as a banker, and as an investor. Previously, Mark managed MDS Capital Partners, a fund devoted to life sciences, served as CEO of Burrill Merchant Group, and held senior management positions at Montgomery Securities, Pacific Growth Equities, Summer Street Research Partners, and LF Rothschild Unterberg Towbin. Mark received his MBA from New York University, where he also completed MS coursework in Biochemistry, and holds a B.S. in Biology from American University.
